# BANGALORE CITY MUNICIPALITY

Dated 21st July 1934

By-laws framed under Section 51 (1) (h) of the Mysore City Municipalities Regulation VII of 1933 for enforcing the supply of information as to any cases of Dangerous Diseases in men and for carrying out the Section 174 of the Regulation

I "For purposes of these by-laws, dangerous disease shall mean any disease either specifically named or indicated by description in the schedule to these by-laws"

II (i) Every medical practitioner who knows or has reason to believe that any person whom he has visited in his professional capacity in any dwelling or place not being a hospital, within municipal limits is suffering from a dangerous disease and

(ii) Every manager of a factory or every head of a household or educational institution who knows or has reason to believe that any person who resides in a dwelling or place under the management or control of any such manager or head of household or educational institution within municipal limits is suffering from a dangerous disease, shall, unless prevented by reasonable cause, give information of the same with the least possible delay, either personally or in writing to an officer of the municipality not below the rank of a Sanitary Inspector

III Any person, authorised by the Municipal Commissioner in this behalf, at any time without notice or with such notice as to the person authorised appears reasonable, may inspect any place in which dangerous disease exists or is suspected to exist and take such measures as he deems suitable to prevent the spread of such disease beyond such place
